- All bowlers certified by U.S.B.C. & NYS U.S.B.C. Youth Members who have not reached their 20th birthday on or before August 1, 2009 (of the current season) will be eligible unless under suspension or in violation of the U.S.B.C. eligibility rules.
- Tournament will be conducted on a team average basis as indicated on entry form. **TEAM AVERAGES MUST BE WITHIN ONE OF THE CLASSES.**
- Bowlers from different age divisions may bowl as a team. Teams may be ALL BOYS, ALL GIRLS OR MIXED, IN EACH CLASS.
- All bowlers must bowl within the Region(s) through which their membership dues are paid. Those paying dues and bowling in certified leagues in multiple associations, encompassing more than one Region, may enter in all Regions in which he/she currently holds membership. If a bowler qualifies in more than one Region, Rule #5 prevails for that bowler *only*, not the Team. In case of a tie for Class & Placement, he/she will have 5 days from date of notification to choose on which team he/she will compete.
- A bowler or substitute may participate "unlimited". A team can re-enter "unlimited" without change in lineup. If a bowler has both teams winning; then bowler(s) stays on the higher winning team. That is Class over Placement. SCRATCH Class over Class A - Class A over Class B and B over C. Placement means higher team within a class.
- Highest 2009-2010 U.S.B.C. league average (including High School Certified Averages) as of Feb. 1, 2010, based on a minimum of 21 games or seven (7) league sessions, will be used for entering purposes. WRITTEN certification of this must be presented at time of participation. Bowlers with no acceptable average will be classified by U.S.B.C. age division - Bantams (8 & under) & Preps (9-11) (150); Juniors (12-14) (200); Majors (15-18) & Seniors (19 & above) (225), and will bowl scratch.
- At Regional Level: "Unlimited" substituting will be allowed. He/she must have average certification WRITTEN by the coach. (Director to attach certification to entry form.) Bowlers must bowl in the order submitted on the entry form. **Coach must submit copy of Standing Sheets to verify averages to the Regional Director. At State Finals ONLY: No more than one (1) substitute will be allowed on any one team. He/she must have average certification WRITTEN by the coach and keep the team in the same class in which they qualified. (Director to attach certification to entry form.) - Any falsification on any entry shall result in automatic disqualification of the team with no refund of entry fee. Any violations of any of the other rules may result in disqualification.
- Tardy bowlers must begin the event in the frame being bowled at time of arrival. No pins for frames missed. No absentee scores.

- First and second place winners in each class, will receive plaques and will represent their Region at the state finals. The highest scratch scoring team, regardless of class, will also advance to the state finals as a special bonus team and compete at the state finals for the scratch championship. If a team qualifies for both scratch and handicap advancement they must choose within 5 days of notification, whether to compete for the handicap or scratch titles. In either case the next highest team, (scratch or handicap) will also advance to the state finals. Additional awards will be given based on the number of entries in each class, with a ratio of one for every eight (8) entries, with a maximum of five (5) Places awarded.
