Tournament #205

Another successful tournament with 80 fully paid entries. Congratulations go to *Carmine Solomita* for his third tournament victory. This month we welcome Ken Thompson from the Bronx, James Yanchuk of Seaford and Hector Morales from New York City. Just recently I received word of the passing of Charles Parry of Bellport.

To keep everything flowing as smooth as possible and not to embarrass bowlers or cause problems I would ask everyone to pay their own entry fees.

It would be appreciated that if you signed up to bowl and you can't make it for any reason please call and let me know. This month we had 2 pairs that were empty and nobody notified us that they were not coming. We then had to start shuffling bowlers around and this caused a delay in starting.
